PAD DRESSAGE

Plutus is the ancient Greek god of wealth, symbolising prosperity and generosity. He embodies the wealth as a source of blessing, joy and harmony in life.

We introduce Plutus to exemplify wealth not only for material abundance but also for inner fulfilment and self-actualisation associated with happiness and content. The Plutus concept emphasises positive side of material success and importance of generosity, gratitude, and the ability to enjoy life.

About us

Plutus Edition specializes in luxury customization of Mercedes-Benz V-Class vehicles. The company offers unique and expensive features, such as diamond-encrusted interiors (up to 99 diamonds), embedded timepieces from Audemars Piguet and Jacob & Co, and Bang & Olufsen sound systems. There are also exclusive alligator leather accessories with diamond inlays. In the "Billionaire" package, customers can enjoy ultrasonic eyeglass cleaners, biometric safes, mini-bars, and even in-car waterfalls with heated floors, making these vehicles highly luxurious and technologically advanced.

Van order

To place an order for a customized Mercedes-Benz V-Class from company Plutus Edition select from the available luxury packages, such as the "Diamond Edition" or "Plutus Edition". Options include diamond-encrusted interiors, high-end timepieces, biometric safes, and advanced technologies. After selecting your preferences, submit a request directly on our website. You can also contact them by phone or email for further details.
